Guidelines for Paper Submission

General information
Manuscripts submitted to 1st SIMPI 2015 must be original work that has not been published or under consideration for publication elsewhere. The 1st SIMPI 2015 welcomes submissions written in English. Manuscripts should be no more than 20 pages in length inclusive of tables, figures and illustrations. All submissions will be peer reviewed. Please use the template provided for Microsoft Word 2003 and Microsoft Word 2007. A sample of template can be downloaded at: http://www.jurnalteknologi.utm.my/uploads/journals/1/template-6.docx

Title
Manuscripts should be headed by a concise title. Please include the full name(s) of the author(s), complete mailing address, telephone and fax numbers as well as e-mail address. In case of multiple authorship, please indicate the main author to whom all correspondence concerning the paper should be directed.

Abstract
All manuscripts should be accompanied by two abstracts, of not more than 200 words each, written in English and Bahasa Melayu. Manuscript from outside Malaysia may submit and English abstract only. The abstract should not only indicate the subject and scope of the paper but also summarize the author’s conclusion along with at least five (5) keywords that could be useful for information-retrieval purposes.

Style
As far as possible, manuscripts should consist of the following sections: Introduction, Materials and Methods, Results and Discussion, and Conclusion. Each section and sub-section should be numbered using the Arabic numerals. Please use SI Units for all scientific and laboratory data.

- Tables
All tables should be kept simple and clear, and should be referred to in the text. They should be numbered, titled, and typed using double spacing on separate pages in the order of which they are referred to in the text.

- Illustrations
Illustrations including diagrams and graphs should be sharp, noise free and of good contrast. They should accompany the manuscript on separate sheets and numbered consecutively in the same order as they are referred to in the text. Line drawings should be in black ink on a white background and lettering size must be large enough to permit legible reduction whenever necessary. All photographs submitted must be of good quality and printed on glossy paper. The author’s name, short title of the paper and figure number must be written on the reverse side of each illustration submitted.

- Mathematical Notation and Equations
All equations must be clearly typed, tripled-space and should be identified or numbered accordingly.

Acknowledgements
A brief acknowledgment of not more than 50 words could be included at the end of the manuscripts, before the list of references.

References
- Style for Journal Teknologi
References should appear in a separate Reference section at the end of the manuscripts, typed double-spaced in the order of item referred to in the next, using numerals in square brackets.

  Style for papers: [Reference number], Authors (last name, followed by first initial for main author, and first initial followed by last name for other authors), year, title, periodical (in italics), volume (issue), inclusive page numbers.
